

Mwanga Deaf School thanks ELCT HQ

The School administration of Mwanga Deaf in ELCT-Dioocese of Mwanga-Kilimanjaro has thanked the Evangelical Lutheran Church in Tanzania (ELCT HQ) for providing them with clean equipment which will enable them in fighting against diseases such as COVID-19 in doing their daily school activities.

The Head Master of the Mwanga Deaf School Teacher Moses Mwandu said the equipment brought to the school will be of much help to the students and staffs in fighting the spread of Corona Virus during the studies and other curriculum activities.

He also added that those cleaning equipment have come in time due to the situation that the World is passing through so it becomes very important for each everyone to take precaution so to stop the spread.

Mary Mbagi Officer from ELCT HQ urged the staffs of the school to continue taking precaution due to the fact that it will help to keep the learning environment in good condition to enable the students to enjoy their studies.

Mary said that during giving the cleaning equipment to the school administration for the protection against the Corona Virus to the students and staffs when doing their daily school activities.

Mwanga Deaf School is one among others that received the equipment from ELCT HQ while others will be Njombe Deaf School and three Parishes from ELCT-Eastern and Coastal Dioocese that conduct their Mass by sign to help deaf people to continue worship without getting problems.
